

# O-Town, All She Wrote

\*All She Wrote\*

Thats all she wrote  
left me alone  
no reason why  
to read between the lines  
when you walked out the door I  
realized in my heart it was all  
your baby  
thats all she wrote  
read between the lines  
goodbye.. thats all she wrote...

thats all she wrote  
left me alone  
no reason why  
to read between the lines  
when you walked out the door I  
realized in my heart it was all  
yours baby  
thats all she wrote  
read between the lines  
goodbye... thats all she wrote
