

O-Town, Sensitive

Sensitive

Who says a man's not supposed to be?

Sensitive (I'm sensitive)

I'm keeping the faith that you still love me

Oooh

Girl I know that something's wrong

Something strange is going on

And no matter what I do

It's like a wall I can't break through

Girl I need to understand

But you won't give me answers

How can I help you,

If you don't want me to?

(chorus)

I never hear you laugh

I never see you cry

never heard you say you need a love like mine

See I've giving you everything that's inside

But you need to fill me up

'Cause you're not playing with the flame

Girl you won't get burned

You know that's not the kind of thing I do

I guess I need to get what I give

What can I say

Girl I'm sensitive

Ain't nobody out to control

You are what you stand for

Baby girl I really need to know

Do or don't you want this love

Won't you help me understand?

Girl I really need some answers

How can I help you,

If you don't want me to?

(CHORUS)

Sensitive

Who says a man's not supposed to be?

Sensitive

I'm keeping the faith that you still love me

Sensitive

Baby I'm not ashamed to be

Sensitive(I'm sensitive)

Baby I love you

But is it time to let you go?

I don't know where we are girl

You won't let me know

(CHORUS 2x)

I never hear you laugh

I never see you cry

who says a man's not supposed to be?

See I've giving you everything that's inside

I'm keeping the faith that you still love me

'Cause you're not playing with the flame girl

You won't get burned

You know that's not the kind of thing I do

I guess I need to get what I give

What can I say girl

I'm sensitive
