

# OAG, Knocked Silly

I saw you at the party  
Giving me a smile  
You have try to kept track on me  
Wearing your dress to kill outfit  
But i really don&#039;t care  
Even though you are so cute

So i saw you at the diner  
You past by me  
And left a note on the table  
It was wrote &#039;i love you&#039;  
But i really don&#039;t know  
Even though it was so sweet

I don&#039;t know what is wrong with me baby  
I feel i have no heart at all(i think i had a bad hair day)  
I just don&#039;t know what is wrong with me baby  
Maybe i had a little bit of knocked silly

I saw you at the gig  
Giving me a kiss  
You tried to seduce me  
Bringing along your adorable friends  
But i really don&#039;t mind  
Even though you are so gorgeous

I saw you at the garden  
Running straight to me  
And gave me a bucket full of flowers  
You said that you loved me but i am really confused  
Even though it was so true
