

# OAG, Wheel Of Pop - Tune

I sing along with my head  
Inside my head say &#039;life is not about death&#039;  
Maybe it is confusion  
Oh what was that?  
Waving in the television  
Driving my life slowly  
To learn how i can reach my destiny

Cause nothing is impossible  
We can be a winner or a loser  
Cause anything is possible  
We can be a loser or a winner

We sing along with our heart  
Inside our heart say &#039;life is not that hard&#039;  
Baby it is confusion, illusion  
Oh what was that?  
Waving in the television  
Driving our life slowly  
To learn how we can reach our fantasy

Cause nothing is impossible  
We can be a winner or a loser  
Cause anything is possible  
We can be a loser or a winner (1, 2, 3, 4)  
To learn how we all can reach our dreams

Cause anything is possible  
We can be a winner or a loser  
Cause anything is possible  
We can be a loser or a winner  
Yea, yea, yea (4, 3, 2, 1)
