

# Oasis, Ain't Got Nothin

Ain't got nothin' on me anymore  
Ain't got nothin' to prove  
All I want is the key to the door  
Let me out of this groove  
I don't feel - all too real  
Lost my mind - what's my crime?  
Ain't got nothin' on me anymore  
Ain't got nothin' to lose  
All I found was a key on the floor  
Set me off like a fuse  
I don't feel - all too real  
Lost my mind - what's my crime?  
Don't you know?  
Don't you see?  
I'm the one - to believe  
(2X)  
Ain't got nothin' on me anymore  
Ain't got nothin' to prove  
All I want is the key to the door  
Let me out of this groove
