

# Oasis, Falling Down

A summer sun that blows my mind  
Is falling down on all that I've ever known  
Time to kiss the world goodbye  
Falling down on all that I've ever known  
Is all that I've ever known

A dying scream, it makes no sound  
Calling out to all that I've ever known  
Here am I, lost and found  
Calling out to all

We live a dying dream  
If you know what I mean  
All that I've ever known  
It's all that I've ever known

Catch the wheel that breaks the butterfly  
I cried the rain that fills the ocean wide  
I tried to talk to God to no avail  
Calling my name from out of nowhere  
I said if you won't save me, please don't waste my time

Catch the wheel that breaks the butterfly  
I cried the rain that fills the ocean wide  
I tried to talk to God to no avail  
Calling my name from out of nowhere  
I said if you won't save me, please don't waste my time

Summer sun that blows my mind  
Is falling down on all that I've ever known  
Time to kiss the world goodbye  
Falling down on all that I've ever known  
Is all that I've ever known
