

Oasis, Go Let It Out

Paint no illusion, try to click with what you got
Taste every potion, and if you like yourself a lot
Go let it out, go let it in, go let it out

Life is precocious in the most peculiar way
Sister psychosis, she don't got a lot to say
She go let it out, she go let it in, she go let it out
She go let it out, she go let it in, she go let it out

Is it any wonder why princes and kings
Are clowns that caper in their sawdust rings?
Ordinary people that are like you and me
We're the keepers of their destiny
We're the keepers of their destiny

I'm goin' leavin' this city, I'm goin' drivin' out of town
And you're coming with me, the right time is always now!
To go let it out, go let it in, go let it out
To go let it out, go let it in, go let it out

Is it any wonder why princes and kings
Are clowns that caper in their sawdust rings?
Ordinary people that are like you and me
We're the builders of their destiny
We're the builders of their destiny
We're the builders of their destiny
We're the builders of their destiny

Go let it out - don't let it in
Go let it out - go let it in
Go let it out - don't let it in
Go let it out - don't let it in, don't let it in
