

Oasis, Half The World Away

I would like to leave this city
This old town don't smell too pretty and
I can feel the warning signs running around my mind
And when I leave this island I'll book myself into a soul asylum
And I can feel the warning signs running around my mind

So here I go still scratching around the same old hole
My body feels young but my mind is very old
So what do you say?
You can't give me the dreams that are mine anyway
You're half the world away
Half the world away
Half the world away
I've been lost I've been found but I don't feel down.

So here I go still scratching around in the same old hole
My body feels young but my mind if very old
So what do you say?
You can't give me the dreams that are mine anyway
You're half the world away
Half the world away
Half the world away
I've been lost I've been found but I don't feel down
