Oasis, (Probably) All In The Mind

Show me who you are I'll show you what you love I'll give you half the world if that's enough

Let me take you down Let me hear you smile Let me rest my head here for a while

In the end we'll leave it all behind Because the life I think I'm trying to find Is probably all in the mind

Show me who you are I'll show you what you love I'll give you all the world if that's enough
