

# Oasis, Take Me Away

Just when it falls apart  
and when it's time to stop  
will you sit down here for another day  
and when it's time to be  
all the things that we  
are wishing away for another day  
cause me and my soul we know where we're going  
we're going where the grass is free  
and the air is clean  
and the good times are growing  
so take me away  
just for today  
cause i'm sat here on my own

i'd like to be under the sea  
but i probably need a phone  
just when it falls apart  
just when it's time to stop  
will you sit down here for another day  
cause me and my soul we know where we're going  
we're going where the grass is free  
and the air is clean  
and the good times are growing  
so take me away  
just for today  
cause i'm sat here on my own  
i'd like to be under the sea  
but i probably need a phone  
i could be you if i wanted to  
but i've never got the time  
you could be me and pretty soon you will be  
but you're gonna need a line  
need a line  
need a line  
need a line
