

# Oblivion Dust, Lullabye

(Don't need to be unhappy  
So please don't cry  
We're already there  
We're gonna be so...)

kizutsuite naoshite no kuri kaeshi da yo  
samishisou na kanjite tsubuyaite ita ne  
itsu kara naiteru no?

kokoro nante koware yasui omocha da yo  
mae ni susumitaku nante mo osareteru yo  
tomaranai namida mo itsu ka kawaku yo

Don't need to be unhappy  
kioku wo nemurasete  
We're gonna be so happy  
hikari shimi komase

kawaru koto wo osorezu jibun wo tsutsumi konde  
rikai sarenai hodo utsukushiku narou yo  
minna ga matteru yo  
ima kara tsureteku yo

Don't need to be unhappy  
itami wo keshi satte  
We're gonna be so happy  
minna to kagayaite

Lullabye for you  
Lullabye for you

Don't have to be lonely  
Don't have to be all alone  
mou me wo tojite mo  
nani mo kowakunai hazu sa

(Don't need to be unhappy  
We need to be free  
But we're already there  
We're gonna be so happy  
So happy...so happy...)
