

Oblivion Dust, Sucker

Stop me from dreaming
A sigh is deceiving
Believing is easy, but there's nothing to believe in with you

I have a cancer
My mind is a coma
I can be tanned by neon lights for only so long

I fell beneath you
Only in my mind did I disappoint you
Then I realized that I'm not the only one

Trying much harder
To feel that I need her
I'm a believer when it all comes down to ending love

Delicate lover
You scream in my ear
Scratch out my eyes, and now it seems I can see you so clear

I feel beneath you
Only in my mind did I disappoint you
Then I realized that I'm not the only one

I realized I'm not the only one
I fell beneath you

So long...So clear...So strange...So near

I have her cancer
My mind is a coma
Delicate lover
You scream in my ear

I can only be tanned by neon lights for so long

I can only be tanned by neon lights for so long
