

Oblivion, Redeemed

open your eyes and see what's going on
have you even heard about the risen son
dont you know the meaning with your life
i will tell you now and again, and again, and again

you're no longer enslaved
the power death enslaved

come and believe
come and believe

jesus is the only way to life
his words are sharper than a knife
he has made you redeemed
made you redeemed

you're no longer enslaved
the power death enslaved

come and believe
come and believe

redeemed from mortal sin
redeemed from mortal death
darkness no longer lives within
cause you are free from it

you're no longer enslaved
the power death enslaved

come and believe
come and believe
