

Oblivion, Why

why do we suffer?
why do we feel pain?
why do we laugh?
why do we sorrow?

why do we live?
why do we die?
why do we seek peace?
why do we make war?

why do we hate?
why do we love?
why do we exist?
why do we destroy?

why do we need limits?
why do we have racism?
why do we kill?
why do we care at all?
