

# Obsession Indecent, Come Back To Me

Cry an everlasting weep  
But never losing sleep  
Of the dreams that have gone wrong  
I'm sure it won't be long before you are here

Oh...before you are here....

Pain they say it all takes time  
It hurts if the words don't rhyme  
It can tear two worlds apart  
And leave but a beating heart

Before you are here...  
Oh...before you are here....

Won't you come back to me?  
Don't leave me all alone.  
My love will be the key that brings you home

Won't you come back to me?  
Please don't go away...  
My love will be as strong as yesterday....

Leave don't ever fade away  
Just think of yesterday  
When the love that brought us near  
Had the warmth to shed a tear

Oh before you are here....

Won't you come back to me?  
Don't leave me all alone.  
My love will be the key that brings you home

Won't you come back to me?  
Please don't go away...  
My love will be as strong as yesterday....
