

Ocean Blue, Bliss Is Unaware

Miss the boat
and you will find you're
on the shore
Miss the point
and you will find you're
very sure
Bliss
is unaware
Until the shot
rings out
And you will find
it's just a lie
Hit the switch
and you will find it on
the screen
Hit remotes
and you will find you're
entertained
Bliss
is unaware
While you laugh
to death
You'll find it
hits you pleasantly
