

# Ocean Colour Scene, For Dancers Only

Bus stop stretching out before  
All along the High Street wall  
'Til your eyes can't see no more  
Early evening in sunlight  
Turns the world to shine so bright  
Like a blind man given sight  
Like a million neon lights

This old town won't let me go  
It's got my feet, it's in my soul  
There is no going back it's just forward now  
The silver screen it sees my gaze  
I try to look beyond the haze  
I could forgive it, everything is true  
Just take me with you too

Out upon the empty floor  
The lone dancer spinning on  
Throwing caution to the wall  
There's a sign behind the door  
Says for dancers only sure  
And the lone dancer she knows  
She can never be lonely

This old town tells you to stay  
Then you know you ain't getting away  
There is no going back it's just forward now  
These haunted halls play melodies  
So sweet and tender on life's breeze  
I could forgive it everything is true  
Just take me with you too

There's a sign behind the door  
Says for dancers only sure  
And the lone dancer she knows  
She can never be lonely

This old town tells you to stay  
Then you know you ain't getting away  
There is no going back it's just forward now  
These haunted halls play melodies  
So sweet and tender on life's breeze  
I could forgive it everything is true  
Just take me with you too
