

Ocean Colour Scene, In My Field

I'm in my field
I'm in my stream
And I'm love
I'm in my tree
I take a walk
Nine hundred miles
I cross the stile
I'm in my field
And I'm in love
And it's for free
I'm in my field
I'm in my field
I'm in my field
I'm in my stream
And I will yield
I'm in my field
And I'm in love
Across the stile
Come in my field
Just you and me
We'll take a walk
Nine hundred miles
And I'm in love
We'll count the stars
I'm in my field
I'm in my stream
Well I'm in love
Just you and me
I'm in my field
I'm in my stream
Well I'm in love
I'm in my tree
I take a walk
Nine hundred miles
I cross the stile
I'm in my field
