

Ocean Colour Scene, Oh Collector

Oh collector Im so sorry
You had the notion that I was rolling
In the money no Im sorry
But Ill pay you
No Worry

Lets Sing Softly
Lets Sing Softly
Oh so softly
Not so heavy

Ive been heavy with my fortune
Like a crystal and a hammer
Im so sorry Oh collector
Im away now in a hurry

Lets Sing Softly
Lets Sing Softly
Oh so softly
Not so heavy

Get up all you fighters
Dont you lie here now
Oh collector you had it coming
It was that funny we were rolling
Oh collector were so sorry
And well pay you
No Worry

Lets Sing Softly
Lets Sing Softly
Oh so softly
Not so heavy
