

Ocean Colour Scene, Wah Wah

Wah Wah, youve given me a wah wah
And Im thinking of you
And all the things that we used to do
Wah Wah
Wah Wah

Wah Wah, you made me such a big star
Being there at the right time
Cheaper than a dime
Wah Wah, youve given me your wah wah
Wah Wah

Oh you dont only see me crying
Baby baby
You dont only hear me sighing Oh no

Wah Wah, I dont need another wah wah
And I know how sweet life can be
If I keep myself free
Wah Wah, I dont need no wah wah
