

Oceanlab, Barely Hanging On

I Used to Be So Sensible On My Own
Now I'm So Sensitive It's a Joke
I'm Getting By On Decibels Like a Drug
And Greet Every Brand
New Day With a Shrug
I'm Barely Hanging On
I Used to Be So Comfortable in a Suit
Almost Presentable Next to You
I Used to Be So Confident in a Crowd
Now I Can't Say My Own Name Aloud
I'm Barely Hanging On
And Now I Guess You're
Wondering Why
We Never Could See Eye to Eye
Oh But Never Mind
And Now I Guess It's Hard to See
What Has Gotten Into Me
Oh But Never Mind
I'm Barely Hanging On
