

Oceanlab, I Wish I Cared

To Hold Me Closer Or Set Me Free
To Trust Completely Or Let It Be
You Don't Know My Destiny
You Can't See What I Can See
Hey - I Wish I Cared
Hey - I Wish I Cared
To Love Me Truly Or Let Me Go
Inbetween I Don't Want to Know
This Is How It Has to Be
No More Us and no More We
Hey - I Wish I Cared
Hey - I Wish I Cared
Once Again, On the Station
See Your Face in a Crowd
Comes Again the Sensation
You Can't Hear Yourself Think
With Their Voices Inside Your Head
Hey - I Wish I Cared
Hey - I Wish I Cared
I Wish I Cared
Yes I Really Do
I Wish I Cared
(Hey) I Wish I Cared
Yes I Really Do
I Wish I Cared
(Hey) I Wish I Cared
I Wish I Cared
(Hey)
