

Oceans Of Sadness, For When You Sleep, My Love

I, the guilty in disguise
I bring you skies of water with lies
Thy deceitful human eyes
Thy curse your spells onto my disguise
Feast inside me and taste the guilty
The guiltyness

Fire in me, burning desire in me
Searching on higher see
For when we die
Oh, despite all the life
We burn as guilty
Godless sacrifice

Fire, fire in this house
So enlight all candles now
I ... As ruler of my world
Chasing the clouds
Breathing nearby madness
Chasing the clouds
Reaching nearby, madness
