

# Oceansize, Sizeofanocean

Son, you'll have to wait  
Too busy thinking straight  
It was all or nothing  
One on god's mad day(??)

But you'll think too much today  
(??)  
Now I'm spinning I'm turning  
I got on my own road  
I'm the size of an ocean  
I've never felt so sure

We will flow away (?)  
We will want to wait (?)  
Well I taste, taste it (?)  
It's over now (?)  
yeah let's flow away (?)

Good wishes haunt me so well (??)  
Believed those whole truth would tell (?)  
But now or nothing  
Chase my cares away meant nothing (?)

But you'll think too much today  
attract oblivion  
Now I'm spinning I'm turning  
I got on my own road  
I'm the size of an ocean  
I've never felt so sure

Morning, morning  
Children draw pictures in front of me  
but I am too tired  
to drink up a (??)  
it's rumbedumhare (? xD, sorry), despair  
Good wishes got all by of me (?)  
Hold tight, hold tight  
HOLD OOOOOOON!!
