

OCN (Ocean), The First Cut

Do you see what you done?
Tell me now
Just pretend that you blind?

Now you're trying to back time
You don't understand
The first cut is the deepest
That's right

?
How ?
You always tracking me down
You don't see that
? for my own reflection

Do you see who I am?
Tell me now
Let's pretend that I am here
You be ... control
Will I take a chance to find the person like you
