

# Octavia Sperati, Don't Believe A Word

Don't believe me if I tell you  
Not a word of this is true  
Don't believe me if I tell you  
Especially if I tell you I'm in love with you

Don't believe me if I tell you  
That I wrote this song for you  
There just might be some other silly pretty girl  
I'm singing to

Don't believe a word  
For words are so easily spoken  
And your heart is just like that promise  
Made to be broken

Don't believe a word  
'Cause words can tell lies  
And lies are no comforting  
When there's tears in your eyes

Don't believe me if I tell you  
Not a word of this is true  
Don't believe me if I tell you  
Especially if I tell you that I'm in love with you

Don't believe a word.
