

October Fall, Yet Another Son

Why do I feel like I'm falling apart?
Why do I feel like I'm back at the start?
Why won't you give us just this one chance?
Don't know what to do cause I'm falling so fast

Don't know how to act
Don't know how to think
I feel like I'm drowning and I don't want to sink
Don't know what to do so you take the lead
I just found out you're all I need

So take my tears and choke them back
For all the feelings that she lacked
So take my heart, break it in two
So now I'll never give up on you

I see you as you walk the halls
Caller ID shows that you have yet to call
And I ?? and dream of you
While you're out with someone new

So take my tears and choke them back
For all the feelings that she lacked
So take my heart, break it in two
So now I'll never give up on you

So take my tears and choke them back
For all the feelings that you lacked
So take my heart, break it in two
So now I'll never give up on you

So take my tears and choke them back (Don't give up, don't give up on me)
For all the feelings that she lacked
So take my heart, break it in two
So now I'll never give up on you

Sometimes you, just leave me, all lonely trembling for you
