

October Project, Be My Hero

Sleep with the window open
Sleep till tomorrow
Be my hero

Be without being lonely
Try to open
We try to open
Hoping for a hero

I want something
I want everything
I want nothing
Nothing else
I want someone
Not just anyone
Be my hero

Keep what is secret
Secret
We can believe it
Be my hero

I want something
I want everything
I want nothing
Nothing else
I want someone
Not just anyone
Be my hero

See how we measure feeling
From a distance
See how we measure people
Into zero

I want something
I want everything
I want nothing
Nothing else
I want someone
Almost anyone
