

# October Project, Be My Hero

Sleep with the window open  
Sleep till tomorrow  
Be my hero

Be without being lonely  
Try to open  
We try to open  
Hoping for a hero

I want something  
I want everything  
I want nothing  
Nothing else  
I want someone  
Not just anyone  
Be my hero

Keep what is secret  
Secret  
We can believe it  
Be my hero

I want something  
I want everything  
I want nothing  
Nothing else  
I want someone  
Not just anyone  
Be my hero

See how we measure feeling  
From a distance  
See how we measure people  
Into zero

I want something  
I want everything  
I want nothing  
Nothing else  
I want someone  
Almost anyone
