

# Odes Of Ecstasy, Ignorance

Tears of you in my hands diamonds on fire  
I feel your pain in my ignorance of love  
Time passes by as this night emptiness I feel  
I know, oh I know, I forget you.

Sharing my pain with the night  
But the pain is growing  
Your black hair, black winds  
From crystal mountains

Afraid the future afraid to live  
Till the sleep takes my thoughts,  
Come to me

Waves sound words to me,  
Words I heard as I stood alone  
Words of you
