Blame it on the goose

Ay she say she usually don't  
But I know that she front  
Shawty know what she want  
But she don't wanna seem like she easy  
I ain't saying what you won't do  
But you know we probably gonna do  
What you've been feeling deep inside  
Don't lie now

Girl what you drinking?  
Gonna let sink in  
Here for the weekend  
Thinking  
We can  
See what we can be if we press fast forward  
Just one more round and you're down I know it  
Fill another cup up  
Feeling on yo butt what?  
You don't even care now  
I was unaware how fine you were before my buzz set in, my buzz set in

Blame it on the goose  
Got you feeling loose  
Blame it on Patron  
Got you in the zone  
Blame it on the a a a a alcohol  
Blame it on the a a a a alcohol  
Blame it on the vodka

Blame it on the blue top

Oh see  
She spilled some drink on me  
And now I'm knowing she's tipsy  
She puts her body on me  
And she keep staring me right in my eyes  
No telling what I'm gonna do  
Baby I would rather show you  
What you been missing in your life when I get inside.

And now I'll tell you what I'm gonna do  
Baby I would rather show you  
I've already got it, now this party's really started  
Blame it on the alcohol

Girl I know you feel good  
Dancing like you look  
Couple more shots you open up like a book  
I ain't tripping (cause I'm a read ya)  
Shawty I ain't tripping (I just want to please ya)  
You can take a shot of nuvo, you know  
It's going down can we kick it like judo (judo)  
You know what I mean  
Shawty got drunk thought it all was a dream

So I made her say ahh, ahh ahh  
Now she got her hand on my leg  
And my seats all wet in my ride (all wet in my ride)  
All over my ride (all over my ride)  
She look me dead in the eye, eye eye  
Then my pants got bigger  
She already knew what the figure  
Had her looking her boyfriend like

Now to tha ballas popping bottles  
With their Henney in their cups  
Screaming money ain't a thang  
If it ain't throw it up in the skyyy (sky)  
Hold your drinks up highhhh (high)  
And to my independent mamas  
Who can buy their own bottles  
If you looking like a model  
When them broke fellas holla  
Tell them byeee (bye)  
Hold your drinks up highhhh (high)
