

Of Mice and Men, When You Can't Sleep At Night

Here in this world,
I'm awaked with mistakes,
But it's love that keeps fueling me, fueling me.

Pretty little lady with your swollen eyes,
would you show them to me?
I know I'm not that perfect,
but you stay a while, baby then you will see.

Miles away I could still feel you lay
your head down on my embrace.
My embrace, far away.

Pretty little lady with your swollen eyes,
would you show them to me?
I know I'm not that perfect,
but you stay a while, baby then you will see.

Don't give up baby,
I know that it's shaky.
Just let love consume us,
Consume us.

Here in this world,
I'm awaked with mistakes,
But it's love that keeps fueling me,
fueling me to love you.

Miles away I could still feel you lay
your head down on my embrace.
Be not afraid to love me.

Pretty little lady with your swollen eyes,
would you show them to me?
I know I'm not that perfect,
but you stay a while, baby then you will see.
