Of Monsters and Men, Slow and Steady

The lights go out, I am all alone All the trees outside are buried in the snow I spend my night dancing with my own shadow And it holds me and it never lets me go

I move slow and steady But I feel like a waterfall Yeah, I move slow and steady Past the ones that I used to know

My dear old friend, take me for a spin Two wolves in the dark, running in the wind I'm letting go, but I've never felt better Passing by all the monsters in my head

I move slow and steady But I feel like a waterfall Yeah, I move slow and steady Past the ones that I used to know

And I'm never ready
'Cause I know, I know, I know
That time won't let me
Show what I want to show

I move slow and steady But I feel like a waterfall Yeah, I move slow and steady Past the ones that I used to know

And I'm never ready 'Cause I know, I know, I know That time won't let me Show what I want to show
