

# Of Monsters and Men, Wolves Without Teeth

Open my chest and color my spine  
I'm giving you all  
I'm giving you all  
Swallow my breath  
And take what is mine  
I'm giving you all  
I'm giving you all

I'll be the blood  
If you'll be the bones  
I'm giving you all  
I'm giving you all  
So lift up my body  
And lose all control  
I'm giving you all  
I'm giving you all

You hover like a hummingbird  
Haunt me in my sleep  
You're sailing from another world  
Sinking in my sea,  
You're feeding on my energy  
I'm letting go of it  
She wants it

And I run from wolves  
Breathing heavily  
At my feet  
And I run from wolves  
Tearing into me  
Without teeth

I can see through you  
We are the same  
It's perfectly strange  
You run in my veins  
How can I keep you  
Inside my lungs  
I breathe what is yours  
You breathe what is mine

You hover like a hummingbird  
Haunt me in my sleep  
You're sailing from another world  
Sinking in my sea,  
You're feeding on my energy  
I'm letting go of it  
He wants it

And I run from wolves  
Breathing heavily  
At my feet  
And I run from wolves  
Tearing into me  
Without teeth

And you can follow  
You can follow me  
You can follow  
You can follow me

You hover like a hummingbird  
Haunt me in my sleep  
You're sailing from another world

Sinking in my sea,  
You're feeding on my energy  
I'm letting go of it  
She wants it

And I run from wolves  
Breathing heavily  
At my feet  
And I run from wolves  
Tearing into me  
Without teeth

And you can follow

You can follow me  
You can follow
