Of Monsters and Men, Yellow Light

I?m looking for a place to start but everything feels so different now. Just grab a hold of my hand, I will lead you through this wonderland. Water up to my knees but sharks are swimming in the sea. Just follow my yellow light and ignore all those big warning signs.

Somewhere deep in the dark a howling beast hears us talk. I dare you to close your eyes and see all the colors in disguise. Running into the night, the earth is shaking and I see a light. The light is blinding my eyes as the soft walls eat us alive.
