We can do it softcore if you want But you should know I take it both ways We can do it softcore if you want But you should know that I go both ways

We can do it softcore if you want But you should know I take it both ways We can do it softcore if you want But you should know that I go both ways

Georgie said romantic love is flat (Georgie said that)

But oh, but List Christie disagrees
She sees into the core of my poor machine (I'll tell you what she sees)
Frightened cornered Gemini tactics and Attempts to crack the party code
And there's one more thing

We can do it softcore if you want But you should know I take it both ways We can do it softcore if you want But you should know that I go both ways

Lalalalalala Lalalalalala

We can do it softcore if you want But you should know I take it both ways We can do it softcore if you want But you should know that I go both ways
