

# Of Montreal, Happy Yellow Bumblebee

I am a happy yellow bumble bee, I fly around the flowers and trees  
and all morning long, I flutter about in the swirling breeze and the sun is yellow like me

I am a happy yellow bumble bee, everything's so much bigger than me  
but I'm not afraid, for if something gets too close, I give them a sting that makes them howl and sca

No I'm not afraid, though sometimes I get lonely because my parents are dead and I can't find my b

At night the sky looks so black and I can't find the sun. It doesn't matter how hard i try, but when i f

That makes me a happy yellow bumblebee, all my friends are beetles and centipedes and all  
summer long we laugh and we play, but we don't talk to spiders because they're mean and they try  
but they'll never beat us....
