

Of Montreal, When You're Loved Like You Are

Larry when you're loved like you are
you won't ever feel alone.
You won't be left alone,
When you're loved like you are

Larry when you're loved like you are
people think of you and smile.
They think of you and their glad so they smile
When you're loved like you are.

We will be with you,
That means you will be with us too.

Larry when you're loved like you are
everything falls into place.
Everything else falls into place
When you're loved like you are.

We will be with you,
That means you will be with us, too.

Larry when you're loved like you are
you won't ever feel alone.
You won't be left alone,
When you're loved like you are
