

# Of The Son, Follow You

Hear me Lord I pray  
Take my fears away  
I know you're in my life  
Come and save me  
Make me who I am for you

I'll bring you praise until my last breath  
I'll follow you, I'll follow you home  
Till my heart will beat no more  
Now I turn my eyes to heaven  
I'll follow you, I'll follow you home  
To worship you my God and king  
My everything

Let me know you more  
Show me who you are  
I feel you in my heart  
Now I know you saved me  
And I long to bring you praise
