

# Of The Son, Prayer for the Dying

And now we cry out in the name of your son  
To send your grace and love  
And we will overcome

We come to you with love in our hearts  
We come to you, let us never part

And I'm down on my knees  
This is my prayer for the dying  
God help all these people to see  
You are my prayer for the dying

Oh Jehovah God almighty  
God help all these people to see  
This is my prayer for the dying
