

# Of The Wand & The Moon, Gal Anda

Gal anda vldr gangla  
Vldr rithanda vldr rinnanda  
Vldr sitianda vldr signanda  
Vldr faranda vldr fliughanda

Skal alt fyrna ok um doia

And so the dreams lies shattered once again  
And I can hear the ravens call at night  
And the path...abandoned...leading nowhere  
An omen fulfilled  
And I loathe the dark  
And I curse the gods
