

# Ofenbach & Portugal. The Man, We Can Hide Out

We Can Hide Out  
out the edge of the world  
We Can Hide Out  
never slow down  
to we're not  
sure  
we can make it better  
when we do it  
we'll do it together

we can stand out  
but we won't  
just keep it together  
man don't under pressure
