

# Ofenbach, Wasted Love (feat. Lagique)

Love, love  
Love, love  
Love, love

So outspoken  
You don't even notice  
Every word you say gets right under my skin  
Out of Focus but your heart is open  
Always trying but i feel like giving in

Keep breaking hearts to pieces i  
Know i am beyond the reason i am  
Afraid getting over us

Wasted love  
Don't give up  
But you're tryna save us  
Am i trying not ot  
Get wasted love  
Wake me up  
Tell me i ma dreaming  
And say this ain't another wasted love

Love, love  
Love, love  
Love, love  
Wasted love

Love, love  
Love, love  
Love, love
