

# Offer Nissim, Alone

I look at you and see  
Someone i don't wanna be  
And its taking me too long to realize  
I'm better off alone  
All the times that you told me lies  
And you know that it happend too many times  
And its time that i realize  
I'm better off alone

I'm leaving you now  
I want you to know  
I know what i want and i knew all along  
I couldn't let go but i'm not gonna stay anymore  
So i'm leaving baby  
I can not forget all the pain that i've had  
All the things that you said  
How you're making me mad  
And you've made me feel bad all alone  
This time i'm moving on

I am leaving you this time  
I'm not letting you play with my mind  
And i moving with my life  
This time i leaving you behind  
All the times that you told me lies  
And you know that it happend too many times  
And this time that i realize  
Im better off
