

Officer Negative, Bobby And Susie

with anarchy and f.t.w. tattooed on their arm's
bobby and susie are eating their lucky charms
bobby addicted to hell
susie you stink
they act like they are from society

but we know they are the victims
if your not punk rock your a fool
that's what they believe
the victims of society

stab you in the back
thats just what they'll do
two faced followers
that's what i call you
acting like you don't care
what everyone thinks
part of the crowd still not free
from society
