## Ofra Haza, River Lullaby

Hush now my baby Be still and don't cry, sleep like you're rocked by the stream Sleep and remember, my lullaby and I'll be with you when you dream

Drift on a river that flows through my arms Drift as I'm singing to you, I see you smiling, so peaceful and calm Holding you I'm smiling too

Here in my arms safe from all harm holding you I'm smiling too

Hush now my baby Be still and don't cry, sleep like you're rocked by the stream Sleep and remember, my lullaby and I'll be with you when you dream

Here in my arms safe from all harm holding you I'm smiling too

Sleep and remember, this river lullaby I'll be with you when you dream (2x)

I'll be with you when you dream
