

Ofra Haza, Trains Of No Return

Yeah, yeah yeah, we need the rain
Yeah, yeah yeah, to wash the trains
Endless nights
Tortured days
Trains of no return

Law-El ani agraw aneni
Avka bachawl lailaw aneni
Ten tal umawtawr aneni
Oh aneni

To God I call, please answer me
I cry every night, answer me
Give us dew and rain, answer me
Oh, answer me

Oh, don't let them grow again
Oh, no not again
Don't let them roll again
The trains of no return

Yeah, yeah yeah, we need the rain
Yeah, yeah yeah, to wash the trains
Endless nights
Tortured days
Trains of no return

Law-El ani agraw aneni
Aneni, aneni
Sham za'aku kolot anenu
Ba'aru orot anenu
Netzach Yisrael anenu
Hu lo y'shaker
Kawl ha'or kawl hachoshech
Sheyoter mikawl ra'u eich
Din ha'Elohim molech
Hem gam mevakshim

To God I call, answer me
Answer me, answer me
There voices cried out, answer us
Lights burned, answer us
Eternal One of Israel, answer us
He will not fail us
All the light, all the darkness
Which more than anything, saw how
The law of God rules
They also plead

Yeah, yeah yeah, we need the rain
Yeah, yeah yeah, to wash the trains
Endless nights
Tortured days
Trains of no return
Don't let them grow again
Don't let them burn again
Don't let them roll again
The trains of no return
We need the rain
Don't let them grow again
Don't let them burn again
Don't let them roll again
