

# Oh Wonder, 22 Break

I don't like to fight  
I told you once  
And here's the twice  
Your words like spider bites  
On my chest  
Burning red

I might give up  
Hold my hands up  
Wave a red flag  
Say I fucked up  
My bad, that was my bad  
I might give up  
Hold my hands up  
Wave a red flag  
Say I fucked up  
My bad, that was my bad

But it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break

I shared it with a stranger  
I whispered to a friend  
Walking laps to answer  
When i souldnen't had  
I see you in my future  
Tyhe outlines kinda fade  
Tell myslef to hold on  
Have a little faith

So I might give up  
Hold my hands up  
Wave a red flag  
Say I fucked up  
My bad, that was my bad  
I might give up  
Hold my hands up  
Wave a red flag  
Say I fucked up  
My bad, that was my bad

But it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break  
it takes 2 to break a heart  
2 to break
