

# Oi Polloi, T.H.C.

Oi! Oi!

Dug my fuckin' shit-pit  
I had to spend a penny  
I had to blag some diesel  
For the fuckin' genny  
Now we're skinning up  
This gear is fuckin' beezer  
Have you got a quid for some diesel, geezer?

T.H.C.

Scored some good grass  
And it was fuckin' great  
Toking on a bong in our Mercedes 508  
Someone said the vigies  
Vigies were on site  
But we just went on tokin'  
Token' thru the nite

T.H.C.

Dahn at 'anging Langford  
Sitting in our bender  
Stones out of our heads  
Discussing the politics of gender  
Things were getting heavy  
The pigs wanted revenge  
We told them to smoke the herb  
and free the fuckin henge!
