

Oi Polloi, T.H.C.

Oi! Oi!

Dug my fuckin' shit-pit
I had to spend a penny
I had to blag some diesel
For the fuckin' genny
Now we're skinning up
This gear is fuckin' beezer
Have you got a quid for some diesel, geezer?

T.H.C.

Scored some good grass
And it was fuckin' great
Tokin on a bong in our Mercedes 508
Someone said the vigies
Vigies were on site
But we just went on tokin'
Tokin' thru the nite

T.H.C.

Dahn at 'anging Langford
Sitting in our bender
Stones out of our heads
Discussing the politics of gender
Things were getting heavy
The pigs wanted revenge
We told them to smoke the herb
and free the fuckin henge!
